

Garden Blessing

Presented by Maggie Carruthers
Co-author of Sacred Stewardship

Sacred Stewardship co-author Maggie Carruthers shares her personal insights gained from the creation of the book, including deeper understandings of how Mother Earth interacts with us even through our stressful ways of living.

This simple yet enjoyable experiential workshop is also a chance for participants to share their own insights and sacred stewardship experiences with their garden.

Maggie leads folks through simple to learn techniques of feel one's own energy and the energy of their garden. Perhaps, even to become more aware of the spiritual beings in their garden.

Discussions include the benefits of taking the time to recognize beauty.

It is also a chance to bring friends and family together in creating a blessing for your garden. The group will help create a momento of the event that will grace your garden for years to come and remind you of the intentions you plant during the gathering.
